Task Force Information

Where in the context of Commission Regulation 1107/2009, there is an obligation on notifiers of particular existing active substances to take all reasonable steps to present collectively the dossiers concerned and, where it is not possible to so present the dossiers - a claim that all reasonable steps were taken to present the dossiers collectively, and documentation to justify the claim made

Bayer CropScience is the solely applicant for this active ingredient Flupyradifurone (BYI 02960) and its formulation Sivanto SL 200. It is a new compound and there has no Task Force been established.
